**Fall  
Fellowship  
Brunch**

ambned@tutanota.com  
for details

Thursday  
December  
5

**Bible Study  
Christmas  
Gathering**

Check the bulletin for more  
information

**Can we get a team of people to help Chicago Gospel Fellowship?** This church plant in the North Park neighborhood of Chicago, pastored by Tim Ophus, has written with a request:

*We're doing a trash pick-up day in our neighborhood on September 29th, and we're looking for some extra volunteers to join us. We'll have our Sunday morning service at 10, and then afterward we'll give pizza to those who want to stick around and help. After that we'll split up in pairs and each take a small section of a street in the neighborhood. My hope is to have enough volunteers that each pair only has to do a small amount and can do it quickly. We're inviting our neighborhood to help us, so I'm hoping to have a Christian paired with someone from the neighborhood, that some good spiritual conversations may happen! Do you think a handful of folks from VCL might be interested in hanging out with us that Sunday?*

Interested? Write "Clean up" on the Friendship Register and we'll let you know what kind of team we can put together so you can finalize your decision.

**New Sunday School Series** - Casey Dwyer and Anna Billson are co-leading a series during the 9:15 hour on the book of Psalms, focusing on the psalms as they relate to our prayer-lives. This series will cover why we should read the psalms, how they impact the way we think, talk, and pray, and how to incorporate them into our daily lives. Now is a great time to re-engage in this dynamic part of our worship, where we learn together from God's Word and grow thereby.

**Are you in a Growth Group?** - Growth Groups are intended to be a vital part of who we are at VCL. These small groups are important centers of Christian growth, and we are excited as groups begin this fall. There will be sign-ups in the foyer for you to sign up for a Growth Group if you are not currently in one, and Pastor Casey will work with you to get you plugged into a group that fits well for you. If you are a Growth Group leader, please let Pastor Casey know who is part of your group, where and when you meet, and what you plan to study this fall.
